***For RCAF Crew: Life On Board A Lancaster Bomber in WWII***

*WWII Lancaster Bomber, picture from the Canadian Warplane Heritage Museum*

Please join the Oxford Historical Society for this special presentation!

John Bullen, a member and volunteer Tour Guide with the Canadian Warplane Heritage Museum, will discuss a brief overview of the Lancaster, the crews, the conditions they endured, the challenges and threats, the keys to survival and Canada's contribution.

His interest in the Canadian Warplane Heritage Museum was inspired by his late Uncle who was a Harvard flight instructor during WWII, and was based out of the Kingston, ON airport.

This presentation will take place on:

**Wednesday, November 30, 2022, at the Woodstock Museum, NHS.**

**Doors open at 6:30pm and the meeting will start at 6:45pm.**

**This is a free public meeting; all are welcome to attend.**
