

Woodstock As It Was!

Join us as we step back in time and explore the many changes to this City over the decades. We will visit the Downtown, once a thriving main street, with shops like Lamons Bakery, shown above. Museum Square about to undergo another transformation, the Hotel Oxford, the Capital Theater, Patullo Fountain, Southside Park and much more. The City of Woodstock is embarking on an ambitious streetscape plan for the Downtown in 2024 – help us find ideas to promote Woodstock’s future by building on our knowledge of the past through this amazing collection of photographs and postcards.
